Club Presidents
Northeast Georgia Square Dance Federation

Recently we were asked to represent the Northeast Georgia Federation on the Board of Directors of the Georgia State Square Dance Association. Since then we have attended two Board meetings which were mainly devoted to plans for the upcoming G.S.S.D.A. Convention September 26-27 in Macon. We shall be helping take memberships at the registration table so hope to see you there.

G.S.S.D.A. would like to have a chairman from each of our clubs. This can be either a couple or a single. They will serve as recipients of information and flyers about G.S.S.D.A. events, feed information from your club to G.S.S.D.A., and promote G.S.S.D.A. membership in your club. Please select a couple (or single) and send their names, address, and phone number to us so we may get the channels of information in operation.

G.S.S.D.A. is urging our cooperation in a square dance census being made by Sets in Order American Square Dance Society. Ever wonder how many people come into square dance classes each year? They would like to count noses and need your help. If your club has a new class beginning this fall, wait until the third class night so the count will show maximum size, then fill out a postcard giving name of sponsoring club, town, state, caller, and number of new dancers. Send your information to The Sets in Order American Square Dance Society, 462 North Robertson Boulevard, Los Angeles, CA 90048. The close-off date is October 15. This should be interesting if all classes are reported.

We want to do our best to help fulfill the objectives of the G.S.S.D.A., which are to promote, sponsor, and conduct square dancing and to provide information and instruction for square dance groups to better square dancing for the pleasure of dancers in Georgia. Let us know if we can help your club.

Sincerely,

Mary & Mike
